Dear Lorna Reese:

My friend Richard Adler told me that you are looking for writers.

While my background is in music journalism and editing, I am sure it would be no problem to write whatever you need.

I was the popular music critic for *The Welcomat* in Philadelphia (now *Philadelphia Weekly*) for eleven years. In addition, I was on the editorial staff for more than five years in various capacities including copy editor, production manager, music editor and associate editor.

In recent years, I have done freelance proofing and editing for various ad agencies, pr firms and financial institutions.

My resume is enclosed.

Thank you for your consideration. I look forward to your response.

I look forward to your response.

Sincerely,

Peter S. Brown
